All About Us (Tap GLitch)

Tatu

They say they don't trust
You, me, we, us
So we'll fall if we must
Cause it's you, me
And it's all about, it's all aboutIt's all about us, all about us
It's all about, all about us
All about us
There's a thing that they can't touch
'Cause ya know (ah ah)
It's all about us, all about us
It's all about, all about us
All about us
We'll run away if we must
'Cause ya know (ah ah)
It's all about us (it's all about us)
It's all about us (it's all about us)
In you I can trust (it's all about us)
It's all about us
If they hurt you
They hurt me too
So we'll rise up
Won't stop
And it's all about, it's all aboutIt's all about us, all about us
It's all about, all about us
All about us
There's a thing that they can't touch
'Cause ya know (ah ah)
It's all about us, all about us
It's all about, all about us
All about us
We'll run away if we must
'Cause ya know (ah ah)
It's all about us (it's all about us)
It's all about us (it's all about us)
In you I can trust (it's all about us)
It's all about us
They don't know
They can't see
Who we are

Fear is the enemy
Hold on tight
Hold on to me
'Cause tonightIt's all about us
It's all about, all about us
There's a thing that they can't touch
'Cause ya know (ah ah)It's all about us, all about us
It's all about, all about us
All about us
There's a thing that they can't touch
'Cause ya know (ah ah)
It's all about us, all about us
It's all about, all about us
All about us
We'll run away if we must
'Cause ya know (ah ah)
It's all about us (it's all about us)
It's all about us (it's all about us)
In you I can trust (it's all about us)
It's all about usIt's all about us
