I'll Fight For You

Foreigner

I'm turning to you when love is on my mind
You're all I want woman and love's so hard to find
I know that I hurt you and I know that I was wrong
But I want you back, back where you belong, oh yeah
And I won't give you up
No I won't walk away, oh I won't walk away
I hope and I pray, I hope and I pray
You'll forgive me someday
I'll fight for you, I'll give you all I've got to give
I'll fight for you, woah baby as long as we should live
I'll search for Heaven each day and together we'll find a way
And I'll fight for you darlin', I'll fight for you baby, yeah, yeah
'Cause I've waited too long for love
You're all of my life and every time I look at you
I keep tellin' myself, you're the one thing I just can't lose
Our love runs so deeply, can't you feel it in your heart
'Cause girl we've got something, that no one can tear apart, oh Lord
I'm tellin' you now, this love it just can't be wrong
Oh, it can't be wrong
And I won't give you up 'cause I've waited too long
Oh, I've waited too long for love
I'll fight for you, I'll give you all I've got to give
I'll fight for you, woah baby as long as we should live
I'll search for heaven each day and together we'll find a way
And I'll fight for you darlin'
I'll fight for you baby, I'll give you all I've got to give, all that's mine to give
And I'll search for heaven each day woah and together we'll find a way
And I'll fight for you darlin', I'll fight for you baby
No I won't turn my back on you now, I'll fight for you
Oh yeah, I'll give you all I've got to give, I'll fight for you
No I won't walk away, I'll fight for you baby, fight for you mama
I'll fight for you, yeah
