

# Dog Day Afternoon

[Shelby Lynne](#)

Happiness hit her like a train on a track  
Coming towards her stuck still no turning back  
She hid around corners and she hid under beds  
She killed it with kisses and from it she fled  
With every bubble she sank with her drink  
And washed it away down the kitchen sink  
The dog days are over  
The dog days are done  
The horses are coming  
So you better run  
Run fast for your mother, run fast for your father  
Run for your children, for your sisters and brothers  
Leave all your loving, your loving behind  
You cant carry it with you if you want to survive  
The dog days are over  
The dog days are done  
Can you hear the horses?  
'Cause here they come  
And i never wanted anything from you  
Except everything you had and what was left after that too, oh  
Happiness hit her like a bullet in the head  
Struck from a great height by someone who should know better than that  
The dog days are over  
The dog days are done  
Can you hear the horses?  
'Cause here they come  
Run fast for your mother, run fast for your father  
Run for your children, for your sisters and brothers  
Leave all your loving, your loving behind  
You cant carry it with you if you want to survive  
The dog days are over  
The dog days are done  
Can you hear the horses?  
'Cause here they come  
The dog days are over  
The dog days are done  
The horses are coming  
So you better run
