Just Flesh

Turbonegro

Once upon a time
I thought that I'd go far
Pictured myself getting bowled
In a company carBut now those days are over
And the well is dry
I sit around getting high
Contemplating suicideAnd now some people wonder
What's the matter with me
Why I've started wearing diapers
At the age of twenty threeBecause tonight those days are over
And the well is dry
I'd go for the meat and potatoes
But I ain't got the time
So come on baby, spank my assC'mon it's just flesh, just flesh
Penetrate me with broken glass
C'mon it's just flesh, just flesh
Baby, make it hurt, baby, make it last
C'mon it's just flesh, just flesh
It's just flesh and nothing elseLet's face the facts, my fate is sealed
Leather straps tight around my flesh
Down on my hands and knees
Now I face the final curtain
I guess I had to learnEvery inch of flesh is hurting
Feel my ass, it burns
So come on baby, stomp my face
C'mon it's just flesh, just flesh
Feces war in a sexual hazeC'mon it's just flesh, just flesh
Come on baby, spank my ass
C'mon it's just flesh, just flesh
Penetrate me with broken glass
C'mon it's just flesh, just flesh
Baby, make it hurt, baby, make it last
C'mon it's just flesh, just fleshSatan laughing spreads his wings
It's just flesh, just flesh
It's just flesh, just flesh
It's just flesh, there's nothing else
