

Belligerence

Factory 81

Kick it I seen,
make me the,
bad thing (or laughing),
what you think of me. Crack it,
empty,
dragging,
can't you fucking see? Crack it,
empty,
dragging,
Once you fuck with me. Thoughts still,
abusing,
sexy,
Make me see em'. Get out of my way.
Get out of my way.
Get out of my way.
Get out of my way. Caught you,
laughing,
attracting,
Once you fuck with me. Thoughts still,
emptying,
(?),
Can't you fucking see? Crack it,
into,
dragging,
Did you fuck with me? Thoughts still,
emptying,
(?),
Watch me freak out. Get out of my way.
Get out of my way.
Get out of my way.
Get out of my way. Why can't you just walk away?
Can't you see?
With this stick (or dick) in my eyes, i'll start to free. Why can't you just walk away?
Can't you see?
With a switch in my eyes, i'll crack a swing. I can't forgive you.
You're around my friend.
I can't forgive you.
You're around my friend.
I can't forgive you.

You're not my friend.

I can't forgive you.

You're not my friend.I can't forgive you.

You're not my friend.

I can't forgive you.

You're not my friend.

I can't forgive you.

You're not my friend.

I can't forgive you.

You're not my friend.Rip off your hip. I put this motherfucking stick up in my face. Down my race.

So knock off (?), this case. Fuckin' your sister fine, but it's a waste of my time. Cry out from your wizard just a (?hun?). Now it's time for you to breach to survive your leach. Shuttin' all i could've been, but you're not my friend.Why can't you just walk away?

Can't you see?

With this stick (or dick) in my eyes, i'll start to free.Why can't you just walk away?

Can't you see?

With a switch in my eyes, i'll stack I swing.Why can't you just walk away?

Can't you see?

With this stick (or dick) in my eyes, i'll swing.Why can't you just walk away?

Can't you see?

With a stick (or dick) in my eye, i swing.
