Slippery Slopes

Skyhead

I am still into you,
Dreams really do come through
I feel it everywhere,
Even in my red hair
And if don't wreck it,
Then I won't wreck it either,
When I'm out on the road
If for just one second,
You'd ask me to forget all about
Slippery slopes, whiskey and clothesI see it happening,
I'll get the golden ring
I want eternity,
For her and you and me
And if you don't expect it,
I won't expect it either,
When we take off our clothes
If for just one second,
She hugs you to forget all about
Slippery slopes, mushrooms and cokeOh, oh, oh, whoa
Oh, oh, oh, whoaIs anyone listening?
There's joy that freedom brings
And I'll be in liberty
If she eats after me'Cause if you don't express it,
You will express it later
With who God only knows
If for just one second,
It helps us to remember
That we like each other the most
Slipping with brows, slippery slopes
