

Fall To Pieces (Acoustic) (feat Myles Kennedy)

[Slash](#)

Its been a long year since youve been gone
Ive been alone here Ive grown old
I fall to pieces, Im falling
I fell to pieces and Im still falling
Every time Im falling down
All alone I fall to piecesI keep a journal of memories
Im feeling lonely I cant breathe
I fall to pieces Im falling
I fell to pieces and Im still fallingEvery time Im falling down
All alone I fall to pieces
Every time Im falling
All alone I fall to piecesEvery time Im falling down
All alone I fall to pieces
All the years Ive tried with more to go
Will the memories die?
Im waiting
will I find you?
Can I find you?
