If You Don't Want My Love

Johnny Rivers

As we move along through love's game
Sometime's it gets so strange
Lately I've come to realize
Some thing's you just can't changeI could give you my heart
Give you my soul
Throw in the stars up above
There's just nothing in this world that I can do
If you don't want my loveWhen we first met it seemed so right
But somehow it turned out all wrong
That beautiful sound that we once had
Is now just a sad sad song
I could show you I want you
prove that I need you
Tell you everything I'm thinking of
But how could I ever win your heart
If you don't want my loveTrue love like ours
Is so hard to find
This heart keeps praying
Someday you'll change your mindI could give you my heart
Give you my soul
Throw in the stars up above
There's just nothing in this world that I can do
If you don't want my loveWhen we first met it seemed so right
But somehow it turned out all wrong
That beautiful sound that we once had
Is now just a sad sad song
I could show you I want you
Prove that I need you
Tell you everything I'm thinking of
But how could I ever win your heart
If you don't want my loveBut there's just nothing in this world that I can do
If you don't want my love
