Hot Dog

The Archies

Hot Dog
Life is tastin' pretty good
Oh yeah (oh yeah)
Hot Dog
'Cause you love me like you should
Oh yeah (oh yeah)
So put some mustard on my roll
'Cause you're barking up my soulHot Dog
Feel like kickin' up my heels
Oh yeah (oh yeah)
Hot Dog (hot dog)
Oh how good your kissin' feels
Oh yeah (oh yeah)
So wag your tail and let me know
Just how much you love me so
Hot DogI like to see you walk
(Hot Dog)
I like to hear you talk
(Hot Dog)
I really relish you
(Hot Dog)
Who could embellish you?
(Hot Dog)
Who could embellish you?Hot DogSo put some mustard on my roll
'Cause you're barking up my soul
Hot DogI like to see you walk
(Hot Dog)
I like to hear you talk
(Hot Dog)
I really relish you
(Hot Dog)
Who could embellish you?
(Hot Dog)
Who could embellish you?Hot Dog
Hot Dog
