

Too Early For the Sky

Johnny Clegg & Savuka

I nearly disappeared into the mouth of a crocodile
I nearly touched the rain deep in the heaven on high
I could have been a sad piece of news on the radio
But you remembered me 'cause you know I'm not ready to go Oh halala, I'm home, looks like I've made it, oh
halalo

Oh halala, oh halala, ngasinda, oh halalo
Oh halala, I'm home, looks like I've made it, oh halalo
Oh halala, oh halala, ngasinda I am too early for the sky
(I'm too early for the sky)
I am too early for the sky
(I'm too early for the sky) I am too early, I am too early
I am too early for the sky Somewhere some gray computer nearly closed my file
This could have been the last time I ever saw you smile
The darkest night nearly swallowed up my eyes
But you remembered me 'cause I'm not ready for the sky Oh halala, I'm home, looks like I've made it, oh halalo

Oh halala, oh halala, ngasinda, oh halalo
Oh halala, I'm home, looks like I've made it, oh halalo
Oh halala, oh halala, ngasinda I am too early for the sky
(I'm too early for the sky)
I am too early for the sky
(I'm too early for the sky) I am too early, I am too early
I am too early for the sky Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina Oh halala, oh halala, ngasinda, oh halalo
Oh halala, oh halala, ngasinda, oh halalo
Oh halala, oh halala, ngasinda, oh halalo
Oh halala, oh halala, ngasinda, oh halalo I am too early for the sky
I am too early for the sky
(Wenkunkulu wami wangisindisa mina)
I am too early for the sky
(Wenkunkulu wami wangisindisa mina)
Too early, too early for the sky Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
Wenkunkulu wami wangisindisa mina
