

Blue Bird

The Caraway

As I swim mermaids dance with me
As I drown they romance with me
They sing sweet little harmonies
Louder and louder until I can't breathe
Hey blue bird on my shoulder
Can you carry me over?
I talked to blue bird, she said why walk when you can fly?
She told me, baby life tastes better when you're high
I said hey blue bird can you take me for a ride
Leave me on a cloud, ill live with blue birds in the sky
As I walk I can feel the heat
As it burns I can smell the sweet
Piece by piece I am yours to feast
All this pain is seducing me
Hey blue bird on my shoulder
Can you carry me over?
I talked to blue bird, she said why walk when you can fly?
She told me, baby life tastes better when you're high
I said hey blue bird can you take me for a ride
Leave me on a cloud, ill live with blue birds in the sky
