

# Get Loose

Christina Milian

Uh  
You feel me?  
Darkchild  
Dresden  
Uh  
Christina Milian  
3, 2, 1  
Let's go  
Whether you're windin' it, grindin' it  
Or straight twerkin' it  
I don't care as long as you're workin' it  
Ride the vibes until you get into it  
I guarantee for sure you'll be lovin' it  
Whether you came alone to leave with someone  
Or with your crew to party 'till the night is done  
Do your thang ain't nobody stoppin' you  
It's whatever all I want for you to do is  
Close your eyes and just groove  
Don't stand there, come on move  
Don't be afraid to let go  
Let the music take control  
If you come here to have a good time  
Leave all your troubles behind  
Wave your hands and get live  
This is the place and now is the time  
Get loose tonight, we get down  
Tearin' up 'till the place shut down  
Get loose, it's time to get loud  
Fell the bass boomin', movin' the crowd  
Get loose, let it go  
Quit standin' around and get on the floor  
Everybody grab somebody, here we go  
We revvin' up the party, act like ya know  
Ain't no need for fightin'  
Or catchin' some kinda attitude  
Check that mess before you step in the room  
Let it go, remember what you came to do  
While the D.J. spins it on the one and twos  
Get busy, get jiggy, whatever works for you

Whether tipsy or sober that's up to you  
But before the night's over, I'm tellin' you  
To enjoy yourself all you need to do is  
Close your eyes and just groove  
Don't stand there come on move  
Don't be afraid to let go  
Let the music take control  
If you come here to have a good time  
Leave all your troubles behind  
Wave your hands and get live  
This is the place and now is the time  
Get loose tonight, we get down  
Tearin' up til' the place shut down  
Get loose, it's time to get loud  
Fell the bass boomin', movin' the crowd  
Get loose, let it go  
Quit standin' around and get on the floor  
Everybody grab somebody, here we go  
We revvin' up the party, act like ya know  
Now that you're on the floor  
I know that you're wanting more  
The music's taking over you  
Show me what you're gonna do  
Too late, you can't hide it  
I can see it's in you  
And you feel the need to let it go  
Get loose tonight, we get down  
Tearin' up 'till the club shut down  
Get loose, it's time to get loud  
Fell the bass boomin', movin' the crowd  
Get loose, let it go  
Quit standin' around and get on the floor  
Everybody grab somebody, here we go  
We revvin' up the party, act like ya know  
Get loose tonight, we get down  
Tearin' up 'till the place shutdown  
Get loose, it's time to get loud  
Fell the bass boomin', movin' the crowd  
Get loose, let it go  
Quit standin' around and get on the floor  
Everybody grab somebody, here we go  
We revvin' up the party, act like ya know  
Boom
