

Jonah

Una

Cut to
the bar scene
Enter John, Jonah, Madeleine

sitting, drinking, watching
Saying nothing
Nothing comes to mind

You see,
John loves Madeleine
Madeleine loves Jonah
And Jonah
Jonah loves no one

Jonah, Jonah loves no one
Jonah loves no one

Jonahâ€™s never gonna be happy

And the people
Who wanna be loved so bad
will be missing the kind of love
Jonah once had

John loves Madeleine
Madeleine loves Jonah
And Jonah
Jonah loves no one

Jonah loves no one
Jonah, Jonah loves no one

And the other guy diggin deep in his pocket
walking away with his head hung low
so low

John loves Madeleine
Madeleine loves Jonah
And Jonah

Jonah loves no one

Jonah loves no one
Jonah, Jonah loves no one

At the other end of the counter
exchanging numbers
Karen and Michael
and the plans grow

And the other guy diggin deep in his pocket
walkin'™ away with his head hung low
so low
