

La primavera

Fuel Fandango

When you feel there's no body out there
And you cry but they cannot hear you
Sometimes this life is insense, this insense My soul has become a stone
Unbreakable and ice cold
And now the memories they fade
They fade, away When you have nothing to lose
You live in a life you didn't choose
The fear is gone forever, forever, forever
When you have nothing to lose
You live in a life you didn't choose
The fear is gone forever, forever, forever Cuando la flor se abra
Y entre la luz por tu ventana
Ya llega la mañ±ana
La primavera
Cuando la flor se abra
Y entre la luz por tu ventana
Ya llega la mañ±ana
La primavera en tu mirada Dreaming the same again
I'm trying to sweep the ashes from yesterday
I'm feeling down and out of control
Unbreakable, ice cold When you have nothing to lose
You live in a life you didn't choose
The fear is gone forever, forever, forever Cuando la flor se abra
Y entre la luz por tu ventana
Ya llega la mañ±ana
La primavera
(Uhhh) Cuando la flor se abra
Y entre la luz por tu ventana
(Uhhh) Ya llega la mañ±ana
La primavera (Uhhh) When you have nothing to lose
You live in a life you didn't choose
(Uhhh) The fear is gone forever, forever, forever Oh oh oh oh, oh oh oh oh, oh oh (La primavera)
Oh oh oh oh, oh oh oh oh, oh oh (La primavera)
Oh oh oh oh, oh oh oh oh, oh oh
Oh oh oh oh, oh oh oh oh, oh oh La primavera
La primavera
La primavera Oh oh oh oh, oh oh oh oh, oh oh
Oh oh oh oh, oh oh oh oh, oh oh
