

(You Want To) Make a Memory

Bon Jovi

Hello again, it's you and me
Kinda always like it used to be
Sippin' wine, killing time
Trying to solve life's mysteries How's your life, it's been a while?
God it's good to see you smile
I see you reaching for your keys
Looking for a reason not to leave If you don't know if you should stay
If you don't say what's on your mind
Baby just breathe
There's nowhere else tonight we should be You wanna make a memory I dug up this old photograph
Look at all that hair we had
It's bitter sweet to hear you laugh
Your phone is ringin' I don't wanna ask If you go now I'll understand
If you stay, hey, I've gotta plan You wanna make a memory?
You wanna steal a piece of time?
You can sing the melody to me
And I can write a couple lines You wanna make a memory If you don't know if you should stay
And you don't say what's on your mind
Baby just breathe
There's nowhere else tonight we should be (We should be)
(We should be) You wanna make a memory?
You wanna steal a piece of time?
You can sing the melody to me
And I can write a couple lines You wanna make a memory
You wanna make a memory
