

# I Get Up (feat. Cedella Marley)

## Ziggy Marley

I get up,  
I get up  
EverydayGot to take a lift,  
For still we must endure  
The trials that we face,  
Oh the war that we know  
Patience give us virtue,  
For The seeds we must sowI get up,  
I get up  
Everyday  
I get up,  
I get up  
AnywaySee the light today,  
Hey, you know we got to find a way  
We been through a lot of shift  
Baby the race isn't for the swift  
So smile with the sunrise  
There's a lot of life to liveI get up,  
I get up  
Everyday  
I get up,  
I get up  
AnywayBeen to the dark place  
Surviving the hate  
It tries to bring you down  
Oh the world is just that way  
And through the noise a whisper  
Arise and awakeI get up now,  
I get up now  
Everyday  
I get up  
I get up  
AnywaysWhen all the doors are closed  
There's only one thing to do  
It always makes it hard,  
Sometimes you got to break the rules  
And no one else can walk  
In your shoesI get up  
I get up

Everyday  
I get up  
I get up  
Anyway Yes, I get up  
I get up  
Everyday  
I get up  
I get up  
Anyway I get up  
I get up  
Everyday  
I get up  
I get up  
Anyway I get up  
I get up  
Everyday  
Now, I get up  
I get up  
Anyway
