

# Death Messiah

## Ancient Rites

Death Messiah  
You're the one  
Occult dreams  
aren't your goal  
Why you preach the Black Book  
When handcuffs & whips are  
Your game  
Death Messiah  
Your religion  
Only an excuse  
Death Messiah  
Diabolic desires  
are your major concern  
Death Messiah  
You're the king in your  
morbid phantasies  
Death Messiah  
You're insane  
In your sick reality  
(you reign)  
Die for  
Die for  
Die for HIM!
