

# Villain

## Texas Hippie Coalition

You can play the hero  
I'll be the villain  
I just want you to know  
There will be a killin'  
You spread your filth about me  
Curse and run down my name  
While rumors and lies all about me  
I play it off like a game  
For your tongue only spits torment  
Affliction a nuisance such pain  
Your truths so contrary to fact  
I am the end of your reign  
For I am the smasher of hopes  
I am destroyer of dreams  
I am the cancer of faith  
Wrecker of all good things  
You can play the hero  
I'll be the villain  
I just wanted you to know  
There will be a killin'  
Tell them I am the vermin  
Dreaded horror of night  
Cast your shadows of doubt  
For soon it will all come to light  
Your mouths spills only deception  
For lying you have such a knack  
Inside you there lies such a darkness  
But I am the dark side of black  
I am the smasher of hopes  
I am destroyer of dreams  
I am the cancer of faith  
Slayer of all good things  
You can play the hero  
I'll be the villain  
I just wanted you to know  
there will be a killin'  
For I am the smasher of hopes  
I am destroyer of dreams  
I am the cancer of faith

Wrecker of all good things

I am the smasher of hopes

I am destroyer of dreams

I am the cancer of faith

Slayer of all good things
