

# Let's Go

## Matt & Kim

I was up in my head  
For everything I said  
Quarter million words  
They're all made with lead I bought a megaphone  
To use inside your home  
Forgot the batteries  
But that's the old me shouting out of my windows  
Rolled down  
'Cause I don't care anymore  
Said I don't care Let's go  
Let's go  
Let's go  
Let's go I'm standing on the top  
Of a parking lot  
I gave it all I had  
Show me what you got There's some things I found  
That make so much sound  
All these words  
I don't need 'em now shouting out  
Of my windows  
Rolled down  
Cause I don't care anymore  
Said I don't care Let's go  
Let's go  
Let's go  
Let's go (Hey, hey, hey, hey) Let's go  
Let's go  
Let's go  
Let's go Say what you wanna say  
Make it mean everything  
Oh say what you wanna say  
Make it mean everything Say what you wanna say  
Make it mean everything  
Oh say what you wanna say Let's go  
Let's go  
Let's go  
Let's go (Hey, hey, hey, hey) Let's go  
Let's go  
Let's go

Let's go
