

# Hit My Heart

## Benassi Bros. Feat Dhany

Hey

Hit my heartAre you gonna hit my heart

Are you gonna leave me once again

Baby don't you hit my heartAre you gonna break my heart

Are you gonna make me cry again

Baby don't you break my heartHey, boy it's not a game

You are the one to blame

My love is not your toy

You better be careful boyYou told a million lies to me

One day you said goodbye baby

I gave you one more chance

So be still be babyAre you gonna hit my heart

Are you gonna leave me once again

Baby don't you hit my heartAre you gonna break my heart

Are you gonna make me cry again

Baby don't you break my heart
