Bite Your Nose

Nick Roes

Sometimes I might make you unhappy.
Honey, thatâ€™s the way that it goes.
I know Iâ€™ve done a lot of rotten things to you,
But I wouldnâ€™t ever bite your nose, no,
I wouldnâ€™t ever bite your nose.

I canâ€™t promise that Iâ€™ll never leave you,
â€˜cause girl thatâ€™s something nobody knows.
I canâ€™t promise that Iâ€™ll never make you cry,
But I wouldnâ€™t ever bite your nose, no,
I wouldnâ€™t ever bite your nose.

I can understand that maybe you donâ€™t trust me.
You get what you deserve I suppose.
I know Iâ€™ve done a lot of rotten things to you,
But I wouldnâ€™t ever bite your nose, no,
I wouldnâ€™t ever bite your nose.

(ad lib) Heaven only knows,
That Iâ€™d never bite your heavenly nose, no, nose, no
I wouldnâ€™t bite it, no Iâ€™d never bite it,
I wouldnâ€™t ever bite your nose.

Sometimes I might make you unhappy.
Honey, thatâ€™s the way that it goes.
I know Iâ€™ve done a lot of rotten things to you,
But I wouldnâ€™t ever bite your nose, no,
I wouldnâ€™t ever bite your nose.
