These Stones

Chrisette Michele

For A Kings,
Can I live my life (shwee)
Can I live my?Can't go left, can't go right.
Either way it's a fight.
Underneath judge me like.
Haters watching me, wanna catch me slip.
So I just let them.Yeah I'm back with my old dude.
Yeah your 'gram comments be rude.
I still get more likes than you.
Delete that edge, hater block that B.
I'm public, so it get like this.
Yeah I live my life,
I live it like it was my last one.
Yeah we gettin' down with any suckers
trying to cast these stones.
These stones, these stones, these stones, these.I know its alright and I promise I aint on one.
Sorry you aint perfect and you hating
so you trying cast these stones.
These stones, these stones, these stones, these.I'm in my feelings now,
(yeah I'm in my feelings now)
Too blind to watch my mouth.
(Too blind to even watch my mouth)
Right hand going south.
Don't put me out on front street
Leave my home alone
Folks crazy got me out my zone
My man and I we walk alone
We cool, we rich, we got it allHe had it all, I added more
You want it, don't act like you don't
Weeds outside in my garden,
they be casting these stones.
Rich hipster life.Yeah I live my life,
I live it like it was my last one.
Yeah we gettin' down with any suckers
trying to cast these stones.
These stones, these stones, these stones, these.I know its alright and I promise I aint on one.
Sorry you aint perfect and you hating
so you cast these stones.
These stones, these stones, these stones, these.Yeah I live my life,

I live it like it was my last one.
Yeah we gettin' down with any suckers
trying to cast these stones.
These stones, these stones, these stones, these.I know its alright and I promise I aint on one.
Sorry you aint perfect and you hating
so you cast these stones.
These stones, these stones, these stones, these.
