Not Too Much Conversation Keep It Short And Sweet

When she talk to me, make me crazy
(Esa es mi mami)
(That's my baby)
me tiene loco, me tiene lazy
asombrosa, poderosa, demasiao puluminosa, muy hermosa...
como rosa...
pero peligrosa, con migo es que ella goza,
es la cosa..., cuando su piel
con mi cuerpo, ella arroza
su flow, su belleza,
me encanta como besa,
me manda, me manda cuando ama,
ella se lleva mi nombre,
a un sitio a otro hombre,
y te habla vestida de mujer,
medisa la piel,
maliciosa, y dulce como la miel,
si en ella feliz fui,
no voy a quemarme en el,
Asi que rompe,
menea el bumper,
con el permiso caballeros no estorben. (come on...)
[CHORUS]
In My Cadillac It Don't Matta Where We At
She Don't Give A Damn

She's So Amazing
She Do Me Right And We Keep On Blazin
Sex So Good I feel Like A Patient
On My ??
On The Deck In The Back
She Don't Give A Damn
She's So Amazing
She Do Me Right And We Keep On Blazin
