Take a Trip

The Sheepdogs

Well, I told you about my??? driving in my car
I ended up quitting 'fore I got too very far
Been workin' on my music and I'm workin' real hard
Well??? feet up hangin' in the yard
I've been travelin'
all night long
Whisper sweetly
sing my song
Lazy, lazy is on my mind
I've been takin' this trip as far as I can find
Some people call it livin' but it's tearin' me apart
Workin' for the music man it's breakin' up my heart
I try to take it easy
but I got too much to do
I've been around the world but I prefer right next to you
I've been travelin'
all night long
Whisper sweetly,
sing my song
Lazy, lazy is on my mind
I've been takin' this trip as far away as I can find
