Boy Like You

Tranie Tronic

What do I do with a boy like you?
L-like you
What do I do with you? (Oh)
What do I do?
With a boy like you?
(What do I do with a boy like you? l-like you)

I know you know
I'm wrapped around your finger
You're so
You're so
Beautiful and dangerous
Hot and cold
Don't you see the light, boy
I could blow your mind, boy
Let me be your new toy

I do what I want
And I get what I want
When I want it
W-want it
W-want it
I'm not gonna stop
Til I get what you got
Til I got it
G-got it
G-got it

What do I do
With a boy with a boy like you?
Got me lost got me hooked
Now I'm so confused
Was this apart of your plan?
I don't really understand

What to do
What to do
With a boy like you (Oh)
With a boy like you (Oh)

With a boy like you

I'm gonna win
Boy your game is over
Try to play but your odds are ten to one
Keep the change after I'm done witcha
You won't know what hitcha
You're not fooling anyone

I do what I want
And I get what I want
When I want it
W-want it
W-want it

I'm not gonna stop
Til I get what you got
Til I got it
G-got it
G-got it

What do I do
With a boy
With a boy like you?
Got me lost got me hooked
Now I'm so confused
Was this apart of your plan?
I don't really understand

What to do
What to do
With a boy like you

What do I do
With a boy like you?
L-like you
What do I do with you? (Oh)

What do I do
With a boy like you?

With a boy like you?

What do I do
