Born Again

The Christianaires

LEAD
Oh, yes listen â€¦

CHORUS
I know that I been changed (Iâ€™m not the same)
I donâ€™t do the things that I used to do (since I been born again)
He put running in my feet, thereâ€™s a joy within me
And (yes, I been born again, Iâ€™m not the same)

CHORUS
Oh, I know that I been changed and (Iâ€™m not the same)
You see, I donâ€™t do the things that I used to do (since I been born again)
Well, He put running in my feet, and thereâ€™s a joy within me
(Yes, I been born again, Iâ€™m not the same)

VERSE
Iâ€™m so glad the Lord came in and made me anew
Now I can feel His anointing, I can feel His power too
I was headed down a dead-end road, until the Lord came and saved my soul
(Yes, I been born again, Iâ€™m not the same)

CHORUS
Oh, I know that I been changed (Iâ€™m not the same)
I donâ€™t do the things that I used to do (since I been born again)
He put running (oh, oh) in my feet (oh, oh), He put joy within me
Oh, (Yes, I been born again, (Oh, Lord) Iâ€™m not the same)

VERSE
Listen, Iâ€™m as happy as I can be, since the Lord has made me free
No turning back for me, cause Iâ€™m living victoriously
I got something to shout about, Iâ€™m no longer living in doubt
(Yes, I been born again, Iâ€™m not the same)

CHORUS
Yes, I know that I been changed (Iâ€™m not the same)
I donâ€™t do the things that I used to do (since I been born again)
He put running (oh, oh) in my feet (oh, oh), put joy within me
(Yes, I been born again, (Oh) Iâ€™m not the same)

VAMP

Yes, I know (I know I been (Yes) born again, (I been born) Iâ€™m not the same)
Said, I know (I know I been (Yes) born again, (And Iâ€™m not) Iâ€™m not the same)
The reason why I know (I know I been (that I been born again) born again,
Iâ€™m not the same)
Things I used to do (I know I been born again, (I donâ€™t do no more) Iâ€™m not the same)
Places I used to go (I know I been born again, (I donâ€™t go no more) Iâ€™m not the same)
He changed me (I know I been born again, (and made my life brand new) Iâ€™m not the same)

Yes, I been born (I been born)
Yes, I have (I been born)
I been born, born again (I know I been born again)

Changed me (I been born)
Rearranged me (I been born)
Gave me a brand-new life (I know I been born again)

I been born (I been born)
Again (I been born)
Whoa, I been born (I know I been born again)

He blessed me (I been born)
With a life (I been born)
That I can shout about (I know I been born again)

Now will you help me say, yes (Yes, I been born)
Say yes (Yes, I been born)
Say yes (Yes, I been born)
Help me say yes (Yes, I been born)

Oh (I been born)
I been born (I been born)
See I know I been born again (I know I been born again)

I got a new walk (I been born)
I got a new talk (I been born)
I got a new song, I got a new dance (I know I been born again)

Thank you (I been born)
For saving me (I been born)
Thank you, for my deliverance (I know I been born again)

Thank you (I been born)
For my joy (I been born)
Thank you, for the anointing (I been born)

Yeah, I wanna thank you (I been born) â€¦ faints to end
