

Run Baby

Jessie J

Yeah yeah yeah mmm This isn't holding hands in the play ground any more

Just be a man, make a decision, walk out the door

Well, all of your feeling's gone

When did it all go wrong

in your mind oh! So run baby run run run ...

You know that I ain't the one

Just go away and have some fun

Just run baby run run run

Go back home. Why can't you see the truth when is right in front of you

You don't love me anymore so I guess we're through

You've changed and I'm not waiting here

I'm over tears so please don't move. Chorus:

Run baby run run run

You know that I ain't the one Just go away and have some fun

Just run baby run run run. You only get one life so why waste it on fights?

demons and old lies do as right and I'll be ok Chorus:

So run baby run run run

You know that I ain't the one

Just go away and have some fun

Just run baby run run run

Yeah uh run run run run circle circle circle

Just run baby run

run run run run circle circle circle 2 x Chorus:

Yeah baby run run run

You know that I ain't the one

Just go away and have some fun

Just run baby run run run. Just run.
