

# The Crucified

## Impaled Nazarene

Jesus Christ, who is he?  
Why do you believe such a shit?  
Jesus Christ, who is he?  
Why do you believe such a shit? Aren't they the morbid tales?  
Believers shall perish in flames Jesus Christ, who is he?  
Why do you believe such a shit?  
Jesus Christ, he has died  
No reason to believe in lies Jesus Christ, who is he?  
He is nothing but dead meat Aren't they the morbid tales?  
Believers shall perish in flames I raped Christ, made him die  
I am your God  
The chosen fucking one
