

I Am The Cosmos (Remastered)

This Mortal Coil

every night I tell myself I am the cosmos
I am the wind
but that don't bring you back again
just when I was starting to feel okay
you're on the phone
I never wanna be alone
never wanna be alone
I hate to have to take you home
want you so much to say no
[Yeah, yeah, yeah]
[Yeah, yeah, yeah]
never wanna be alone
I'd hate to have to take you home
want you too bad to say no, no
[Yeah, yeah, yeah]
[Yeah, yeah, yeah]
my feelings always have been something I couldn't hide
I can confide
don't know what's going on inside
so every night I tell myself I am the cosmos
I am the wind
but that don't bring you back again
I'd really like to see you again
I really want to see you again
I'd really like to see you again
[that don't bring you back again]
I really want to see you again
I'd really like to see you again
I really want to see you again
I'd really like to see you again
[that don't bring you back again]
I'd really like to see you again
I know I'd like to see you again
Know I wanna see you again
