Feel

Big Star

Girlfriend, what are you doing? You're driving me to ruin The love that you've been stealing Has given me a feelingI feel like I'm dying I'm never gonna live again You just ain't been trying It's getting very near the endI feel like I'm dying I'm never gonna live again You just ain't been trying It's getting very near the endGirlfriend, what are you doing? You're driving me to ruin The love that you've been stealing Has given me a feelingI feel like I'm dying I'm never gonna live again You just ain't been trying It's getting very near the endI feel like I'm dying I feel like I'm dying
