

# I Know A Little

Hugo Maldoro

Yes sir

Well the bigger the city, well the brighter the lights

The bigger the dog, well the harder the bite

I don't know where you been last night

But I think mama, you ain't doin' right

[Chorus] Say I know a little

I know a little about it

I know a little

I know a little 'bout it

I know a little 'bout love

And baby I can guess the rest

Well now I don't read that daily news

'Cause it ain't hard to figure

Where people get the blues

They can't dig what they can't use

If they stick to themselves

They'd be much less abused

[Chorus] Play me a little, oh yeah

Yeah

Well if you want me to be your only man

Said listen up mama, teach you all I can

Do right baby, by your man

Don't worry mama, teach you all I can

[Chorus] Well I know a little 'bout love

Baby I want your best
