

Let The River Flow

Donnie McClurkin

Lead (starts first)
Let the river flow
Let the river flow
Let the river flow
And refresh my soul
Everyone
Let the river flow
Let the river flow
Let the river Flow

And refresh my soul
Flow living water?.Flow living water
The water of life
Flow living water?.Flow living water
Flowing over me
Let the river flow
Let the river flow
Let the river flow
And refresh my soul
