Lost In The Midst Of Chaos

With Broken Wings

Not having choices has created chaos...
How so shall I deal with
All the dillemmas presented on a daily basis?And I have no strength
All of my strength
Has been weakend
By past deceptionsI can't trust in anyone but you
So I lay it before you
I know my thoughts are apparent
But I ask for guidance
I'm lost in the midst of chaosI need out
I need you
Not having choices has created chaosAnd I have no strength
All of my strength
Has been weakend
By past deceptionsI can't trust in anyone but you
So I lay it before you
And I have no strength
All of my strength
Has been weakend
By past deceptions [x2]I have no strength [x3]
