

Guitars and Guns

Kevin Fowler

[00:12.17]When I was twelve my daddy gave me a single shot .410
[00:16.29]His grand daddy and his daddy before had passed on down to him.
[00:20.28]My uncle Joe, God rest his soul, left me an old flattop
[00:24.40]Played it 'til my fingers bled no and I ain't never stopped.
[00:28.27]
[00:29.14]Guitars and guns two things that I love
[00:33.51]You might take 'em from my cold dead hands but I ain't giving 'em up.
[00:37.19]Shooters and six strings, both make my ears ring.
[00:41.99]I'm gonna raise a little hell and have a lot of fun,
[00:44.18]It's guitars and guns.
[00:53.41]
[00:55.54]My mamma hated both of them,
[00:57.47]She said now listen son.
[00:59.78]You're gonna wind up in jail or dead if you keep messin' with them guns.
[01:03.77]That beat up old guitar, it's just the devil's tool
[01:08.02]For singin' all those drinkin' songs,
[01:10.01]I say yeah ain't it cool
[01:12.51]
[01:12.82]Guitars and guns two things that I love
[01:16.88]You might take 'em from my cold dead hands but I ain't giving 'em up.
[01:20.87]Six shooters and six strings, both make my ears ring.
[01:24.99]I'm gonna raise a little hell and have a lot of fun,
[01:27.48]It's guitars and guns.
[01:29.92]
[01:46.95]Well when they gather around my grave
[01:50.76]To say farewell so long.
[01:51.51]Just give me a 21 gun salute
[01:53.26]And an old Hank Williams song.
[01:56.19]
[01:58.06]Guitars and guns two things that I love
[02:02.24]You might take 'em from my cold dead hands but I ain't giving 'em up.
[02:06.30]Six shooters and six strings, both make my ears ring.
[02:10.48]I'm gonna raise a little hell and have a lot of fun,
[02:13.10]It's guitars and guns.
[02:14.66]
[02:14.85]Guitars and guns two things that I love
[02:19.09]You might take 'em from my cold dead hands but I ain't giving 'em up.
[02:22.58]Six shooters and six strings, both make my ears ring.
[02:27.01]I'm gonna raise a little hell and have a lot of fun,

[02:29.51]It's guitars and guns.

[02:30.82]

[02:32.48]When you wanna raise a little hell, have a lot of fun, make a little noise, you gotta get you some

[02:37.41]Guitars and guns
