Law

you and I run for things that I'll never wear  
borders align to break, because we dare  
can you read the signs that they gave to me  
feel all the love and feel all the hate there instead I want you here  
I want your fear  
I can be closer than today  
(I can be closer than i know you at hand) so you dress what stolen to be unfair  
all the victims and all that secretly there  
carpet crawling, down to all under me  
pissed and blinded that what you gonna be
