So Incredible

Da'ro

She's So Incredible
She's So Incredible
She's So Incredible
(So incredible uh)
(So incredible uh)
(Drop the beat so I can let it flow uh)
(So I can let you know Uh)
She's So Incredible
There is just so many ways,
She's got me so amazed,
Telling everybody I ain't ever seen that type before,
Cause I just can't believe,
What's gotten over me,
They don't understand why you trip me,
Is it the way that she kisses me,
Cause I know it gives me butterflies,
Is it the way that she touches me,
Whenever I look into her eyes,
Is it the way she listens,
Every time I talk,
So exciting,
Every time I call,
Never felt this way,
And That's How I know,
She's the only one that I desire,
She's the only one that lights my fire,
Every time I'm down,
She takes me higher,
If I only had one word to describe her,
She's So Incredible
She's So Incredible
She's So Incredible
She's So Incredible
Her sexy attitudes,
Got me so mesmerized,
The way she puts it down,
Got me so hooked, I just can't get enough,
Doing things that I don't,
She keeps me on my toes,

The way I feel I just can't explain it,
What can I say she's incredible oh,
In my arms, never let her go,
When I feel like a king,
With only one ring,

She's my only queen,
Never give up the throne oh,
My only reason to live,
Let me show you my love,
Baby it's the season to give,
Fight for our right to love,
and as we rise above we gonna live again
She's the only one that I desire,
She's the only one that lights my fire,
Every time I'm down,
She takes me higher,
If I only had one word to describe her,
She's So Incredible
She's So Incredible
She's So Incredible
She's So Incredible
I just cant leave her alone,
Got me blowing up her phone,
I'm going out of my way,
To see my girl everyday,
Cause I gotta be with her,
When she's not around I miss her,
No one else can do what she does,
Cause she's the only one,
So official,
All of the problems in my life, don't apply,
Girl it's not an issue,
So incredible no need to convince you,
Matter of fact that's the one kind of word that fits you,
You're in my life,
So my answer is heaven,
When an angel, reminisce what I've been through,
And put underneath from the creep, 6 feet deep,
leaks in the sea, can't forget you, come on,
She's the only one that I desire,
She's the only one that lights my fire,
Every time I'm down,
She takes me higher,
If I only had one word to describe her,

She's So Incredible
She's So Incredible
She's So Incredible
She's So Incredible
