

Early Mourning

Alesana

Last night I forgot
How the sound of your voice
Whispered sweet, goodbyes
Your eyes, left to die I'm alone to understand why
Why not one more night
One last kiss goodbye
My sweet love tonight I hope the stars
Still spell out your name
Where you are Kiss my closing eyes
Help me sleep
Without you, I'm so lost Tonight I cry, tell me why
I can't live without
Your warm embrace Why not one more night
One last kiss goodbye
My sweet love tonight I hope the stars
Still spell out your name
Where you are I close my eyes and
You are everything I see
Goodbye Goodbye to you my love
I won't forget you
I'll see you soon Goodbye my love
Goodbye to you my love
I won't forget you
Bye, bye love
