Graphite to paper
A saga-born, hand-drawn artisan dreamer
Graphite to paper
A saga-born and hand drawn artisan dreamer
Miyazaki frontier
A crystal-clear picture of aluminum seekerThis view from here is airborneMystic catacomb creeper
Who whispers stone cold
And as the mind follows deeper
A relic our teacher
A talisman in the hand
Never get to seekLaputa
(Miss you)
Laputa
(How I miss you) Laputa
Floating castle in the sky (miss you)Laputa
(How I miss you)
Floating castle in the sky
Laputa
Young one hear this
Feel thisI've been running, running but the riot hunts for you you you youGive me the timeless corridors of your meadowsLaputa
