

Greater Than

Tye Tribbett

Verse 1:]

Our God does the impossible
Our God He performs miracles
Our God can bring light out of darkness
And our God He can breath life into death

[Bridge:]

Who can stand against us
If our God is for us
Nothing in this world could ever win
For he is Greater than anything

[Verse 2:]

Our God can take disease from the body
Our God can make a broken heart whole
Our God can settle the storm in the mind
And whatever is wrong only He can make it right

[Bridge 2:]

Who can stand against us
If our God is for us

[repeat 3x]

Nothing in this world could ever win

[Vamp:]

He's greater
He's greater
He's greater.
He's greater.
He's greater
He's greater

Greater than anything

[repeat 4x modulating 1/2 step each time]

Greater than anything [repeat]

Our God He's Greater [repeat]
