Don't Suffer In Silence

Cleopatra

Baa-ee-ah
Do-do-do, baby
Baa-ee-ah
Baa-ee-ah
Don't be, don't be alone
Baa-ee-ahYou look over there it's a boy all alone
No one to help him he's just on his own
Let him be filled with laughter, let him be filled with joy
And then he'll argue just like any other boyYou can do it if you keep the faith
He doesn't even have a friend
And so, noStop the fussing and fighting
'Cause we all, we all are one
Don't suffer in silence
Don't you be all alone
When you're needing a friendTake my hand I will lead you the way
Open up your heart and listen to what I say
Ask me them questions they shall be answered without fail
Then the world will shine for you with sun, not rain, not hailYou can do it if you keep the faith
He doesn't even have a friend
And so, noStop the fussing and fighting
'Cause we all, we all are one
Don't suffer in silence
Don't you be all alone
When you're needing a friendStop the fussing and fighting
'Cause we all, we all are one
Don't suffer in silence
Don't you be all alone
When you're needing a friendDon't be alone
When you're needing a friend
Don't, don't, don't be alone, oh no
Don't be alone
When you're needing a friend, oh noYou can do it if you keep the faith
He doesn't even have a friend
And so, noBaa-ee-ah
Do-do-do, baby
Baa-ee-ah
Baa-ee-ah
Baby, baby, baby, tell me
Baa-ee-ahStop the fussing and fighting

'Cause we all, we all are one
Don't suffer in silence
Don't you be all alone
When you're needing a friendStop the fussing and fighting
'Cause we all, we all are one
Don't suffer in silence
Don't you be all alone
When you're needing a friend
