

# Juju On That Beat

Zay Hilfigerrr

Do that one dance baby  
That, that one dance  
Yeah, oh  
You don't know how to do that?  
Baby do it for your grandma  
Come on, I'm old and I'm trying to learn it  
Well yeah, do it  
Walked in this party  
And these girls lookin' at me  
Skinny jeans on and you know my hair nappy  
Hey, hey, hey  
Okay, okay  
I want y'all do it, do this dance now  
JuJu on that beat  
JuJu on that beat  
JuJu on that, JuJu on that, JuJu on that beat  
Now slide, drop  
Hit dem folks, don't stop, aye  
Don't stop, aye  
Don't stop, aye  
Running man on that beat, aye  
Running man on that beat, aye  
Running man on that beat, aye  
Running man on that beat  
Now do your dance, do your dance, do your dance, aye  
You ugly  
You your daddy's son  
Aye, aye  
Do your dance, aye

Let's go, leggo, leggo, leggo, leggo  
Hey, hey, hey  
Yea  
Okay we knuckin' and buckin'  
And ready to fight  
I got my cousin, he with me  
And got Lil Zay on the right  
And I'm a Detroit baby  
And I don't know nothing else  
Besides drinking and having parties  
And having some fun  
I say look in the mirror

What you expect me to do?  
I see a 300-S  
And got them blacked out rims  
I mean I like your style  
I'm on a whole 'nother level  
If you compare me and you  
There wouldn't be no comparings JuJu on that beat  
JuJu on that beat  
JuJu on that, JuJu on that, JuJu on that beat  
Now slide, drop  
Hit dem folks, don't stop, aye  
Don't stop, aye  
Don't stop, aye  
Running man on that beat, aye  
Running man on that beat, aye  
Running man on that beat, aye  
Running man on that beat  
Now do your dance, do your dance, do your dance, aye  
You ugly  
You your daddy's son
