Lay Down Your Goddamn Arms

BV' 2012

I?m not of this world
you?re not in this heart
this isn?t in me
I?m not of this world
you?re not in this heart
this isn?t in me
To open this box
you can?t shoot the lock
I hide everything
so you can?t see
Wanna fight?
Wanna fuck?
Wanna die?
Try your luck?
Lay down your goddamn arms
Wanna fight?
Wanna fuck?
Wanna die?
Try your luck?
Lay down your goddamn arms
There isn?t a key,
you can use on me
There isn?t a key,
so lay down your arms
arms
arms
You?re a book
every page is written

in words
I cannot read
So i burn
gotta burn
gotta burn
gotta burn it
So i burn
gotta burn
gotta burn
gotta burn it

Wanna fight?
Wanna fuck?
Wanna die?
Try your luck?
Lay down your goddamn arms
There isn?t a key,
you can use on me
There isn?t a key,
so lay down your arms
There isn?t a key,
you can use on me
There isn?t a key,
so lay down your arms
arms
arms
So i burn
gotta burn
gotta burn
gotta burn it
