Amee

Acero Rojo

Roses Can Be Hearts
Leavin My Mean-Mind Tonight
You And Your One Track Mind
That I'll See The Light That A Cheap Girl Arrived

Before It Starts
We All Fall in parts

Amee I Now Its Not Your Name
But I Like That Song
That, Will Be Our Song
Oh Boy You Got Some Nervs
And A Lot To Know About A Girls Heart

Before It Starts
We All Fall In Parts

Romantics Are Just Romantics
Tell Me What I Say
When You Go--Over
Get A Little Play 'Cause
I'm Tired Of Wasting My Time And Wasting Yours
Will Get Nowhere Fast

So While Bit My, Fun Fare Ware
Low Baby Please, Baby Stay At Night

Before It Starts
We All Falls In Parts

Romantics Are Just Romantics
Tell Me What I Say
When You Go--Over
