

May These Noises Startle You in Your Sleep Tonight

Pierce the Veil

If you wanted to set me free.
Why the fuck wouldn't you say something?
See, I was just over 17.
Made of poison, you killed me.
Oh no, please, don't abandon me.
Mother, Father, i love you so.
But this is just me disguised as me.
I'm the killer who burned your home!
THIS HOME!
THIS IS THE STREET YOUTH RISING UP!
