No Good

Ivy Levan

I'm gonna give it like uh, 'til you're blue in the face
And not gonna stop 'til they put me away
I'm like, damn, how bad can I be?
Cause I'm gonna be guilty to the fifth degreeI'm no good (no good, no good, no good)
Ain't got nothing on this, no good
I'm no good (no good, no good, no good)
Ain't got nothing on this, no goodYour love, your love, makes me no good
I'm just no good
Your love, your love, makes me no good
I'm just no good
And that's all that I ever wanna be
And that's all that I ever wanna be
Your love, your love, makes me no good
I'm just no good
Now watch me like, uh, caught in my trance
Do as I say, now dance monkey, dance
Wrapped around my finger like a wedding ring
Round tomorrow morning, it ain't no thingI'm no good (no good, no good, no good)
Ain't got nothing on this, no good
I'm no good
Ain't got nothing on this, no goodYour love, your love, makes me no good
I'm just no good
Your love, your love, makes me no good
I'm just no good
And that's all that I ever wanna be
And that's all that I ever wanna be
Your love, your love, makes me no good
I'm just no good
You spend the night with me, and what do you get?
A lover, a fighter, but deeper in debt
Hey, daddy don't call me cause I ain't home
Momma is a rolling stoneYour love, your love, makes me no good
I'm just no good
Your love, your love, makes me no good
I'm just no good
And that's all that I ever wanna be
And that's all that I ever wanna be
Your love, your love, makes me no good
I'm just no good
