Crossing Thy Bridge

Insane Clown Posse

I've lived one hell of a life
If you're to take it tonight.
I've lived the life of a king.
But so much to darken my life.
Looking 360 Degrees
200,000 diseased
How can I lay back and chill
So many down on their KneesBut then again who am I
I'm just some typical guy
I ain't no fuckin' hero
I've just been wondering whyI've seen some children crossing the bridge
What kind of life did they get to live
What kind of choice do they get to make
What if it was a child's mistakeI never question the book
But lets say I live by the book
I'd never eat meat on Tuesdays
How much bigger would my wings lookI try to pray everyday
But sometimes get lost on the way
I've seen the holiest spirit
So much to mislead the wayI've gave the visions I got
I've been told I'm gonna rot
Inside the devils intestines
I'm still here holding my spotI've just been wondering why
I've just been wondering whyI've seen some children crossing the bridge
What kind of life did they get to live
What kind of choice do they get to make
What if it was a child's mistakeCome on and open up your door
(Swell and let the spirit hit the floor)?
Come on and open up your door
(Swell and let the spirit hit the floor)?I've seen some children crossing thy bridge
What kind of life did they get to live
What kind of choice do they get to make
What if it was a child's mistakeI've seen some children crossing thy bridge
What kind of life did they get to live
What kind of choice do they get to make
What if it was a child's mistake
