

# End Of The Road (A Capella)

## Boyz II Men

Girl you know we belong together  
I don't have no time for you to be playing with my heart like this  
You'll be mine forever baby  
You just wait We belong together  
And you know that I am right  
Why do you play with my heart?  
Why do you play with my mind? Said we'd be forever  
Said it'd never die  
How could you love me and leave me and never  
Say goodbye? When I can't sleep at night  
Without holding you tight  
Girl, each time I try I just break down and cry  
Pain in my head  
Oh, I'd rather be dead  
Spinning around and around Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me  
I belong to you  
Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me  
I belong to you Girl, I know you really love me  
You just don't realize  
You've never been there before  
It's only  
Your first time Maybe I'll forgive you  
Maybe you'll try  
We should be happy together forever  
You and I Will you love me again  
Like you loved me before  
This time I want you to love me much more  
This time instead  
Just come to my bed  
And baby just don't let me go Although we've come  
To the end of the road

Still I can't let go  
It's unnatural  
You belong to me  
I belong to you  
Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me  
I belong to you Girl, I'm here for you  
All those times at night  
When you just hurt me  
And just ran out with that other fella  
Baby I knew about it  
I just didn't care  
You just don't understand how much I love  
Do you?  
I'm here for you I'm not about to go out on cheat you  
(Maybe I'll forgive you)  
Just like you did baby  
But that's alright  
I love you anyway  
(Maybe you will try)  
And I'm still going to be here for you until my dying day  
(We should be happy together forever)  
Right now  
I'm just in so much pain baby  
'Cause you just won't come back to me (You and I)  
Will you?  
Just come back to me (Lonely)  
Yes baby, my heart is lonely (Lonely)  
My heart hurts baby (Lonely)  
Yes, I feel pain too  
Baby please This time instead just come to my bed  
And baby just don't let me go Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me  
I belong to you  
Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me

I belong to you Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me  
I belong to you  
Although we've come  
To the end of the road  
Still I can't let go  
It's unnatural  
You belong to me  
I belong to you
