She Needs

Safe Mode

She needs a lot of me
I can give a lot of love
I don't need another thing
I just need everything you are
I love you
She needs a lot of things
But I can give her a lot of love
You don't need another thing
you just need everything I am
I love you
She leaves a lot in me
But I can't give it to anyone
I don't need another thing
I just need everything you are
I love you
I don't need everything
I just need everything you are
I love you
