

Thank You's

Motherfolk

Gotta say a little somethin' to my fans
Since this is the end of the CD
I gotta say a little thank you to all my fans
And everybody that helped, this is for you, check it out
I wanna thank you, I wanna thank you
(Thank you)
I wanna thank you all, I wanna thank you
(Thank you)
I wanna thank you all
Thank you for everythin', the joy and love you bring
Thank you for bein' there and for supportin' me
You all mean much to me because of how I stand
Ya'll sit right by my side because of the all I am
Ginuwine and I will never change, Ginuwine
I'll be makin' the same ol' cheese
That's just how it got's to be
And I wanna thank you
I wanna thank you, I wanna thank you
(Oh, yeah)
I wanna thank you all, I wanna thank you
(To my fans, to my kids)
I wanna thank you all
(Everybody that helped me)
I wanna thank you, I wanna thank you
I wanna thank you all, I wanna thank you
