

A Loverless Bed Without Remission

[Sufjan Stevens](#)

Such a shame that I can't get over this;
Put the axle on and roll again. Such a Saturn eye will close again;
Watching every ring turning again. And I close my eyes
To everything you've rearranged.
And I close my mind
To everything you've kept the same.
Put the axle on and roll again. Cannot keep you in my bed again;
Wake up every time, leave your space again.
